

# 2019 Lights on the Lake Food Vendor Application

This year we are offering food vendor spots for the music concert and fireworks display out at the Osawatome Lake, wrestling at the Osawatome High School football field and/or a spot at the Car Show in John Brown Park. We do offer electricity at the park, but do not have any at the lake or high school. Therefore, quiet generators are required if you choose a spot at the lake or football field. Please complete and return along with your fee. Space is limited so be sure to return your application as soon as possible to ensure that you get a spot at this year's event.
